Dear Kathryn

Further to your letter of 11th August and our subsequent conversations the tree measurements would be as follows:-

T1 & T2 2x Bay - As explained the overall length of the hedge will remain the same. The height will be 4m & depth 2m.

T3 Magnolia - Height 5m & spread 2.5m

I hope this information is enough for your requirements.

Thank you for your help.

Kind regards

Caroline Cave
