

Arun District Council Planning Department

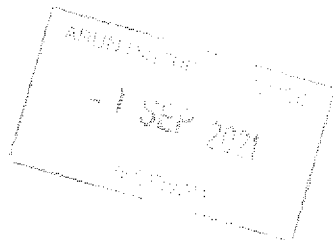

Application no FG/138/21/PC

Millwood House

Littlehampton Road

Ferring

BN12 6PG

Dear Sirs,

I strongly object to this application on the basis of

- 1) Has an agricultural tie and this land is part of the tie to grow fruit trees.
- 2) This is a very dangerous and tight entrance, off the A259, not suitable for vans or HGV vehicles, especially the huge amount of traffic this will generate daily.
- 3) There is no operational times given, if it has to be approved, a strict condition of 9-5, Monday - Friday only should be adhered to.

Yours Sincerely,

11 Elm Park

Ferring,
