Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/138/21/PL
Site Address: Millwood House Littlehampton Road Ferring BN12 6PG
Description of works: Change of Use of land to open air storage (Class B8), including 12 equal sized open air storage yards, lighting and CCTV. This application is in CIL Zone 3 (zero rated) as other development.

Thank you for your internet representation made on 7th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40173

I object to the change of use of this area which is within land designated as countryside in the Local Plan. Any change of use from agriculture would be most unwelcome not only regarding increased traffic, pollution and noise but the further erosion of land which is part of the foreground of Highdown and what this application, if accepted, could lead to.

Not only will this increase the traffic and noise to that area but the lighting will severely affect the 'dark sky' of the National Park, which will be flashing on and off every time an animal passes. The area may be surrounded by trees at this present time but there is no guarantee that it will remain so.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
