Mr J Smith

14th March 2013

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Raise canopy to 3.5m, remove dead and crossing branches, cut back branches from house/roof to obtain 2m clearance, reduce longest branches by up to 1m to 1 No Holm Oak tree (resubmission following FG/168/12/T)
Sea Lane Cottage 258 Goring Way Ferring

Thank you for your internet comments made on 13th March 2013 and recorded as follows:

The Holm Oak with a TPO at 258 Goring Way is up for a severe prune and whilst this is probably necessary for the residents either side it does seem severe but we will leave the final determination to Arun.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully

Karl Roberts
Assistant Director Planning & Economic Regeneration
