Comment from Greenspace

Further to submission of drawing 731-L-01 Planting Plan, I can confirm that the information supplied does propose a well thought out and comprehensive scheme which is fitting for location and also detailing tree and shrub protection/retention and therefore I would **recommend the discharge of Condition 8 Landscaping scheme and Condition 12 tree and shrub protection reserved under planning approval FG/115/17/PL on this application FG/140/18/DOC.**
