Dear Mr Wood,

Thank you for your time earlier. As you know I was unhappy to agree with your decision of the 2m height on the eastern boundary as this was never approved by myself whilst in discussions with the developer (case not closed) . I also agreed that the boundary between plot 1 and 44 Ferringham lane (south boundary) will have no height restriction nor will have any particular finish. This is my boundary and I will not honour any requests to reduce or cut down this boundary ever. Please ensure that at the point of approval that this boundary has no restriction. I have discussed this particular boundary with the developer extensively and we both agree that this will always be the case- a very large screen to avoid any direct viewing from plot 1 to 44 Ferringham lane.

The architect is copied in if there are any comments, otherwise I will consider this matter dealt with.

Kind Regards

Steven Salvidge
