Dear, Ms Iqraa Malik,

Thank you for your request for additional supporting documents relating to my planning application (ref. FG/140/20/HH). I have been unable to work out how to add any additional supporting document to my application via the planning portal, so please find the following attached to this email:

- 1) Existing Floor Plans
- 2) Completed CIL Form
- 3) Flood Risk Assessment (FRA)

I trust that they are acceptable and stand ready to respond to any further request.

Yours sincerely

Paul Simpson
