Dear Sirs,

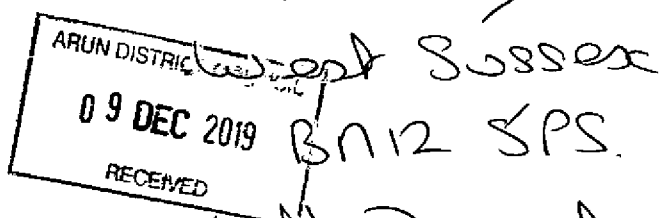

I would like to object to the Building of a house on the corner of Tamarisk way and Sea Lane, Ferring, as this extra build would be overcrowded and out of character to the surrounding road. Also traffic along this part of Ferring is becoming a problem without adding

extra this would course.

Yours faithfully

Dear Sirs,

I would like to object to the demolishing of a old grain silo in McIntyres lane, to build offices. This would be totally out of character in this rural area of down-land next to High Down Hill. This is country side NOT an Industrial Estate.

The added traffic that this would cause would

also be a problem on an
already busy A259.

Yours faithfully
