I have amended the plan as per your request.

Regards

There seems to be a misunderstanding, the location plan only requires one solid red outline. There are over 5 outlines on the plan you have sent me. Along with this, as you will be altering the red outline on the location plan please also amend the red outline on the block plan to match this.

Kind Regards
Ms Malik

Please find attached revised drawing

Your application is currently invalid as the location plan requires one solid red outline around the site address whereas you have more than one red outline on your location plan. Please amend.

Kind Regards

Dear Iqraa,

RE: 12 Chalet Road - FG/141/20/HH

Further to your letter dated 11th of November please find attached revised drawings as requested.

In regards to your comment on the location plan, a redline is shown around the site.

In terms of the description please amend to the following: **Proposed single storey extension to the front and rear. Proposed loft extension with south and east dormer. Replacement garage** 

I trust the above is acceptable and the application can now be validated.
