Reference planning application FG/141/21/HH

Dear Ms. Moore,
I have just received a letter sent to my contractor regarding this application asking for various paperwork including a payment of £100. I clicked on the link that was provided to make the payment.
When I click on the link it takes me to a page for paying the fee. It is asking for a payment for pre planning advice but I am not asking for that I am trying to pay the planning application fee as stated in your letter of the 9th of August. It is asking for a OWPRE number which I don't have as I am not making a pre application. but won't take my planning ref. FG/141/21/HH.

Could you please let me know what I need to do to pay this fee? Perhaps you could send me another link?

Thank you,

Phil Marshall
