Dear Sir/Madam

Thank you for your email and the attached letter. I will address the issue with the CIL form - my apologies for not remembering to do so. However with the arboricultural report, I will be on leave from this Saturday until 3rd September which will slow my progress in contacting arboriculturists and ensuring that the client appoints as well as agreeing the timely production of the report.

Can we liaise over timings? This site is the subject of an enforcement case and I would not want the Enforcement section to consider that we are dragging the issue out but I will be on leave.

I urgently await your response on the timings issue.

Regards

Eimear Murphy
