Dear Mr Roberts

Re: Building Application FG/143/14/HH

The above reference number is for an extension application to No. 9 Brook Lane. As residents of Brook Lane we would like to register our strong objection to this extension which we believe will be to the detriment of the surrounding properties in Brook Lane.

The road will be unable to cope with building work traffic whilst building is in progress, and also with the extra parking of vehicles once the property is occupied.

We hope you will give consideration to the objections before a decision is made.

Yours sincerely
