4th September 2018

ref no: FG/143/18/T

Dear Sirs

I object to the felling of
12 trees at 1 Grange Close.

Trees in Ferring are all
part of the character that makes
our Village special.

Felling so many trees in
this part of Ferring is wrong
especially as it is a conservation
area, which the owner would
have known when he purchased
the property.

Yours faithfully
