Dear Ms Phibbs,

Thank you for your email.

The application was issued as 'no objection', as that is the position of the Council. It is noted that there were 9 letters of objection and 1 of support from nearby occupiers. Additionally, Ferring Parish Council's consultation response is available on the public view, you can find it under the 'Consultation' tab. A summary of these representations (and the consultation response) are available in the recommendation report (as attached).

Please do not hesitate to contact me with any further issues you have.

Regards,

Z Denton

Good morning,

I have received notification the decision of 'no objection' has been made for planning application FG/143/18.

I raise the concern that the decision is 'no objection' when there are ten objections received appearing on the portal. In addition, Ferring Parish Council's objection (as attached) does not appear on the portal therefore has this not been considered? It seems there has been a procedure failure by ADC.

Would you kindly advise ?

Thank you
