Dear Sir/ Madam

Re: New development on site adjacent to 44 Ferringham Lane, Ferring.
Your ref: FG/50/21/PL

Following the approval of application FG/50/21/PL, we have now attached our application for non-material amendments. The amendments for which we seek approval include the following:

- Plot 1 – Amendments to front elevation. On the approved drawing this was incorrectly shown and did not accord with the floor plan and street elevation. We have attached revised drawing 2007-2.01 revision C
- Plot 2 – Amendments to front elevation. An area of timber boarding has been added to the front elevation. We have attached revised drawing 2007-2.02 revision C
- Plot 4 – Amendments to garage design. The areas of cladding adjacent to the garage doors have been changed from timber boarding to stacked slate cladding to match the front elevation of the house. We have attached our revised drawing 2007-2.04 revision B

Should you require further information please don't hesitate to contact me.

Yours faithfully

Garry Mount
