Hi Carl

Thank you for the application submitted via the Planning Portal.

Apologies for any confusion with my previous email, the previous application I mentioned was the original Householder application FG/42/19/HH, which would need to be resubmitted, with the original description for proposed works, and the change of tile colour clearly annotated. This would require all the plans being resubmitted.

Alternatively, you may wish to submit a Variation of Condition application, which would incur a cost [REDACTED]

I hope this clarifies the situation, but please feel free to contact me if you have any queries.

Kind Regards

Nicky

Dear Mr Moore

I refer to the application reference above received on 12th November, to Discharge Condition No 3 of application FG/42/19/HH.

After examining details of the submitted documentation I am unable to validate the application as Condition No 3 of application FG/42/19/HH is not dischargeable. You will need to submit a Householder application, which must be exactly as previous application, but, must specify the change of tiles. No fee will be required for the new application.

[REDACTED]

Kind Regards

Nicky Moore
