Subject: Ref FG/148/19/HH

Dear Sir/Madam,

I live at 15 Sark Gardens & I wish to object to the application for the following reasons as there are a number of false/misleading statements made.

- 1, Plans 14CV2 shows flow Eastwards but it actually flows Westwards from the ditch.
- 2, Site plan does not actually show applicant owning original driveway, so if the applicant doesn't has he asked owners permission to resurface that driveway?
- 3, On statements if applicant had asked (FRSA) Ferring Road Scheme Association he would have found out pipe is not redundant but carries water away from the ditch Westwards to end of Sark Gardens then Northwards along Jersey Road & under Beehive Lane into Little Paddocks.
- 4, Please find enclosed photos taken 20th of December 2019 when ditch was completely full & flooded road, pouring more concrete into an already inadequate ditch will only exacerbate the problem!

Please refuse this application.

R F Cyster
