Description of works: 1 No. Beech tree (T1) - Crown reduction to leave height approx 15m and spread approx 6 and crown thinning up to 15%.
1 No. Holm oak tree (T2) crown reduction to leave height approx 9m and spread of approx 4m and crown thinning up to 15%.

Thank you for your internet representation made on 7th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40168

Ferring Parish Council objects to this application on the basis that both trees are certainly important to the street scene and need carefully considering.

The proposed works will be harmful in an area exposed to salt winds and trust that the Arun Tree Officer refuses or suggests amending proposal to owner. It is important that the view is not changed by pruning work.

Your views as made above will be considered before the application is determined.
