Good afternoon,

We have received comments from the council's Tree Officer, who has objected to the proposal as is, but has offered a revised scheme that we would be able to approve.
Please see the revised works / description below.

"Crown reduction to 1 no. Chestnut (T1) to leave a height of 5m. Crown lift to 2.5m over the highway only. Spread reduction on the south, east and west aspects to leave radial spreads of 2.5m."

Please confirm your acceptance of the amended description as soon as possible to ensure a decision can be made today.

Best wishes,
