Subject: FW: Asda Ferring - Construction Method Statement Revision (B)

Dear Tom,
Thank you, I confirm that the Construction Method Statement Revision (C) as attached, together with the amended Programme and Site Set Up plans received earlier today meet our requirements to allow discharge of Planning Condition 10 in respect of this development. I will E Mail this comment to the Planning Officer, Mrs Anita Gardner directly, for her information.

Thank you for your liaison in this case and I look forward to hearing from you again should I be able to provide any future assistance.

Kind regards

Carol Reynolds BSc(Hons) MCIEH

Senior Environmental Health Officer
