Dear Anita

Application to Discharge Planning Condition No. 5 of Planning Permission FG/127/20/PL in respect of the Onslow Caravan Park, Onslow Drive, Ferring, BN12 5RX

I write on behalf of Island Meadow Parks to seek the discharge of Condition No.5 of the above permission which was granted on 7th January 2021.

Condition No. 5 reads as follows:

"Within 3 months of the date of this permission details of landscaping to the water storage tanks shall be submitted to and approved by, the Local Planning Authority. The approved details of the landscaping shall be carried out in the first planting and seeding season, following the use of the building or the completion of the development, whichever is the sooner, and any trees or plants which, within a period of five years from completion of development, die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of similar sizes and species, unless the Local Planning Authority gives written consent to any variation"

The following information is enclosed for your consideration:

1. Landscaping Specification Sheet prepared by Garden House Design
2. Drawing No. GHD3508 Rev A – Landscape Plan Revision Water Tank Storage Area which shows the proposed location of the new planting and the landscape specifications

I trust the details are acceptable to you and that the local planning authority will be able to confirm full clearance of this conditional information within the 8 week determination period.
