Dear Mr McKee,

Regarding your application for Lawful development certificate for a proposed Hip to gable rear dormer, rooflights, obscured glazing to rear elevation & extension on the east elevation. At the above address.

I'm afraid we require more time to determine this application due to staff shortages / high application workload we are unable to determine the application today. Therefore please can you agree to an Extension of Time (EOT) for us to determine this application to the 20th October 2021 please? Please can you email me back to confirm you agree to this EOT?

Thanks

Regards

Richard Sherman
