Dear Mr McKee,

Re. your application.

Unfortunately due to IT technical issues I cannot measure plans on my Laptop so I cannot work out the proposed volume of the new roof extension and dormer window. Therefore please can you send me in a drawing of the proposed plans with the measurements on them?

Also please can you send me in a cross section plan so we can work out the height of the two new proposed Velux windows? As we can't work out whether they are 1.7m above the internal floor level of the room of which they are to be installed?

Thanks

Regards

Richard Sherman
