Dear Zac

We have prepared a site plan as per the attached drawing RS19.54.SP02 showing the two new dwellings in the wider context of the surrounding properties. In our opinion this demonstrates that the footprints of the proposed two dwellings closely follow the existing street pattern of Little Paddocks. We trust you will therefore add this drawing to the Council planning website to our application and that it will be read in conjunction with our current documents/drawings as submitted. Many thanks.

Kind regards

Robert
