Dear Sir/Madam,

Please find attached the Tree Officer's report relating to the above application. Can I draw your attention to the conclusion and recommendation sections towards the bottom of the report.

As it stands the application will be refused based on the comments found within the report; however, in order to avoid further delay and subsequent applications we are suggesting a new proposal for lesser works, namely;

- Remove low branches to achieve maximum 4metres overhead clearance above highway (Worthing Road) and driveway.
- Reduce lateral extent of prominent 1x N and 1x E tending limbs as described, by maximum 3m.

We hope that the lesser works will go part of the way in satisfying the applicant whilst protecting the tree in line with guidance.

If you would confirm in writing that this is acceptable I will amend the application description to suit.

Kind regards,

Kathryn Welch
