3rd October 2021.

For the attention of.

Richard Sherman Gas officer.

REF FG/154/21/HH.

Dear Sir

I am writing to you about the property, named Cambray, which is directly opposite my property, in the Warren. Apparently, there has been an objection to the fence and green hedge surrounding the front garden of Cambray. As far as I am concerned,

I have no objection at all to the fence or the hedge. In fact the property opposite Cambray has a tall green hedge surrounding their garden. I also have a green hedge surrounding my property that has been in place for many many years. The hedge and fence around Cambray is neat and tidy, and is very well maintained with the lawn and hedge, looked after on a very regular basis. It would be very sad if the hedge or fence was removed. There would be a lack of privacy for all the surrounding properties.

P.T.O.

and I hope that this does not happen

Yours faithfully,

MRS. SUZANNE TERRETT.
