Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: FG/155/25/PL  
Site Address: Land between 11A The Grove and 30 Brook Lane Ferring BN12 5HZ  
Description of works: Erection of 1 No 1-bedroom self build house with associated parking & private outdoor amenity space. This application is in CIL Zone 4 and is CIL Liable as a new dwelling.

Thank you for your internet representation made on 30th January 2026 which has been recorded as an objection with the comments as follows:

OWPC81172

I strongly Object to the residential property being built on the postage stamp size of land. Not only is the properties footprint too large, the height is also a not in keeping with the rest of the properties within the Grove, and not in keeping with Ferring. This proposal will not only worsen the road access issues (which are already significant, and cause a risk to life if cars will be parked blocking the view for pedestrians), it will further cause significant impact to my garden, blocking the sun for the afternoon / evening. It will provide even less access for the wildlife to enter my garden, including Newts, Frogs, Foxes, Hedgehogs and so on.

Your views as made above will be considered before the application is determined.
