My wife and I would like to add support for this planning application. I'm always interested in local planning applications as my family have lived in goring, findon, ferring and angmering all our lives, including my parents before us . This planning application/development has been refused in the past but having read the planning history including previous failed appeals, the new design seems to have overcome previous reasons for refusal , I assume this application will be supported by planning officers. We support fully.

Your views as made above will be considered before the application is determined.
