Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/157/21/PL

Site Address: 1 South Drive Ferring BN12 5QS

Description of works: Demolition of existing single dwelling & construction of new single dwelling. This site is in CIL Zone 4 & is CIL Liable as new dwelling.

Thank you for your internet representation made on 7th October 2021 which has been recorded as an objection with the comments as follows:

OWPC41040

We acknowledge that the owners of this property have taken respectful steps to socialize their plans with us as the owners of a property very close to the proposed new house build. Our views are that the proposed development replaces a current single story property with a three story property, which will impact and alter the character of the surrounding area and the properties that are located there. Our understanding was that this was a two story build, so I was somewhat dismayed to see a third story with rooms built into the roof and balconies which directly overlook the neighbours. Although the property will be built on a similar footprint, the proposed height of the house certainly overlooks the close neighbors which is further exacerbated by the removal of the natural habitat and hedgerow already taking place. It would be expected that any glass that overlooks the neighbours will be required to be opaque.

Your views as made above will be considered before the application is determined.
