Planning Application FG/ 159 /18 *PL*

Please reject this application. Already the places for parking cars at the Bluebird Cafe are constantly filled on a fine day and we do not need more "accommodation" rooms in this village. The noise from the existing cafe is bad enough and the parking at weekends in South Drive and West Drive, is intolerable. These are privately maintained roads and there is no right for non-residents to park in these roads. The bus often cannot get round the corner of South Drive and West Drive because of parked cars. This will not add to the amenities of the quiet nature of this village which all of us residents wish to keep.
