To: Planning

Subject: FG/159/18 The Bluebird Cafe

I would like to record my objection to the above planning application for the following reasons :-

- 1) The entrance to the car park is on a sharp bend of a narrow road.
- 2) Cars using the cafe are already parking on West Drive ,Ocean Drive and South Drive, and sometimes in the even smaller surrounding roads.
- 3) Ocean Drive, South Drive and West Drive form part of the local bus route. It has been recorded that at times buses have had to reverse and go another way as the bus could not get through because of parked cars.
- 4) Many elderly people are dependent on the No 8 & 8A buses, if problems continue with parking the bus service may be jeopardised.
- 5) Emergency vehicles also face problems with parked cars.
- 6) Pedestrians have no footpaths along the roads where the cars are parking, making it even more hazardous for them when trying to navigate through parked and overtaking cars on a dangerous bend.
- 7)The entrance to the car park is only wide enough for one car, this causes a lot of trouble when cars are trying to go and out at the same time as traffic using the main roads.....add a bus !!!!

Zoe Hankard.
