Subject: object to planning re FG/159/18

I object to the planning of extension th The Bluebird Cafe my objection is as follows:-

- 1) The narrow roads just cannot take the volumn of traffic and pedestrians are put in danger.
 - 2) Most week-ends our road is used as a car park and it is almost impossible to get out or in at times.
 - 3) As residents we maintain the roads..where is support from the owners of the Bluebird whose lorries carrying
their supplies up and down the roads.
 - 4)This is a registered village and the cafe is adequate for its use if needed, and if people need a resturant there
plenty in the are
- This my objection.
