Mrs A Gardner

22nd October 2018

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Two-storey extension to the existing Cafe in order to provide increased internal seating, multi-purpose space, with improved service & food preparation area, disabled access & bike storage.

The Bluebird Cafe South Drive Ferring

Thank you for your internet representation made on 21st October 2018 which has been recorded as '**an objection**' with the comments as follows:

We believe that the proposed extension to the Blue Bird cafe will further exasperate the traffic congestion that occurs during peak periods.
Although the car park can take approximately 100 cars it is not only used by customers of the cafe but by large numbers of people visiting the beach. During peak periods the car park is usually full by around 9 am, leading to congestion in the narrow entrance and overspill parking in our road.
The overspill parking has been so bad recently that we have not been able to get out of our drive as people park on both sides and over the drive way.
Further, if emergency vehicles needed to access anywhere in South Drive they would not be able to as the double parking does not leave enough space for something as large as Fire Engine to get through.
If the extension is to go ahead then far more consideration will need to be given to solving the traffic issue. At the very least; South Drive, West Drive and Ocean Drive need to be made resident parking only.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal

information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
