

APPLICATION F6/15948/PL

Dear Sir,

We where one of many residents who opposed the First Application to enlarge "Bluebird Cafe" to what it is today, but to no Avail!

Everyone feels the Council should say Enough is Enough, the Applicant's got what they wanted, but obviously still are not happy BUT neither are all of us, in fact some elderly people are frightened to walk because, there are already problems the roads in South Fleming are only just wide enough for two vehicle's to pass each other, if another is parked it often causes cars. Also the noise & spreads of cars trying to get a parking space etc.

we live in Beehive Lane. and the
traffic is getting worse by the week,
as it used as a cutthrough.

Please don't let it get any worse
it used to be known as a nice quiet
village not any more. Please no more.

Yours Sincerely.
