Kingston Gorse,

East Preston,

West Sussex,

BN16 1SE

Dear Sir or Madam

Planning Application FG/159/18/PL

We wish to object to planning application FG/159/18/PL. The double storey extension will increase visitor numbers and therefore increase noise and disturbance to the local area.

There will also be an increase in traffic and this will cause considerable congestion in an already inadequate car park.

We are therefore concerned that this will result in visitors parking on the private roads in Kingston Gorse.

Yours faithfully
