

1
OBJECTION TO

17, SOUTH DRIVE
FERRING.

APPLICATION OF DISTRICT COUNCIL

BN12 5QS.

BLUE BIRD CAFE NOV 2018

NOV 5th.

RECEIVED

FG/59/18/PL

Dear Sir,

As a resident of Ferring
We have been here for 25 years.

We strongly object extending the
Blue Bird Cafe to accomodate yet
more patrons. When we moved here
it was a lovely little cafe serving
mostly teas, coffee & ice creams.

The new owners seem to
want to turn it into a NIGHT CLUB.
This is a small village with narrow
PRIVATE ROADS. Not a town which
could accomodate the extra traffic.
As we have to pay £65 a year for
the upkeep of these roads why should
we pay for so many other people to
use these roads, and subsidise
them for what is a profit making business.

The so called car park which Patersons would use is in terrible disrepair therefore we constantly have cars blocking our driveways. It makes it difficult for the buses to get through, also Ambulances, & fire engines struggle. This could lead to someone losing their lives, I am amazed it hasn't already happened.

Patersons Walk is fine as it is, Prams, wheelchairs and dog walkers are able to use it quite comfortably. We don't ~~not~~ need cyclists using it, Why can't they walk like everyone else?

Lastly please help to keep what is a lovely Seaside Village ~~at~~ it is. We don't mind the visitors who come here to use the beach and swim in the sea.

We can all share that happily
What we don't need is
late night visitors disrupting
our lives. I hope you will take
all our comments on board and
judge accordingly.

Yours Sincerely
