Thank you for your recent application which I received on 20th August 2018. It is being validated by Mrs J Grieves who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Block Plan

Please submit 1 electronic or 3 paper copies of a block/site plan at a scale of 1:500 or 1:200 showing the position of the proposed signage. Further details of what must be included on the plan can be found in the National Validation Requirements.

You have not answered a couple of questions on the application form. Please confirm the height from ground to base of advert & maximum projection of signage.
