Please ask for:
Mrs A Gardner

14th November 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Demolition of existing detached garage & erection of 1 No. dwelling.
1 Upper West Drive Ferring

Thank you for your internet representation made on 13th November 2017 which has been recorded as '**an objection**' with the comments as follows:

I am writing to strongly object to the Planning Application FG/169/17/PL made by 1 Upper West Drive.

The proposal will definitely have a negative affect on the appearance and character of Ferring and the local area. It would not be in keeping with the local properties and it is apparent that the proposed building would be squeezed in to an existing garage space. The sycamore tree in the road outside 1 Upper West Drive is very , very close to the new development and will not only act as a shield blocking out natural light to the proposed dwelling but may also be damaged in the build process .

The road in front of no 1 and garage is very narrow and any development in this area will adversely affect the highway safety and limit the parking available. As a local resident of 33 years I also have major concerns regarding public safety at the junction of West Drive, Upper West Drive and Ferringham Lane. This proposal would again negatively impact this situation.

I trust that these points will be fully considered when making a final decision on this application.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
