Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/163/21/PL
Site Address: The Chalet Littlehampton Road Ferring BN12 6PG
Description of works: Development comprising of marine workshop & boatyard, martial arts gym (Class E) & storage container compound (Class B8) to replace former glasshouses. This site is a Departure from the Development Plan & is in CIL Zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 28th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40719

I object to this application.

Complete change of use with huge increase of additional traffic flow on this very tight small turning from and into a hugely busy dual carriageway.

Boatyard traffic could cause considerable additional congestion , as well as a martial arts gym which would also cause additional traffic congestion at various times.

Container storage applications north of A259 are becoming more regularly requested and I wonder if this is due to any pre-housing applications? Surely container storage areas are more suited in a commercial urban setting rather than in view of the South Downs national park.

Your views as made above will be considered before the application is determined.
