Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/163/21/PL
Site Address: The Chalet Littlehampton Road Ferring BN12 6PG
Description of works: Development comprising of marine workshop & boatyard, martial arts gym (Class E) & storage container compound (Class B8) to replace former glasshouses. This site is a Departure from the Development Plan & is in CIL Zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 30th September 2021 which has been recorded as support with the comments as follows:

OWPC40773

A martial arts club in the local area would be a great contribution to local facilities. Savio has personally helped me over come anxiety and stress issues through martial arts after suffering from a mugging several years ago in Worthing, and having a club so local to myself would be of great benefit, also eliminating the need to drive therefore reducing traffic in the area which is becoming worse every year. With a new and larger premises the club can help more people like myself.

The training Savio provides is proven to help children and adults alike with many issues and most obviously keeping fit and self defence. It's also a great tool for teaching children about self awareness and respect , and I have seen many children flourish (some of which now young adults) under Savio's guidance.

I'd like to express my support for the new club to go ahead, as as 30+ year long resident of the local area and local business owner, I fully believe this will benefit many local people.
