Thank you for your internet representation made on 30th September 2021 which has been recorded as support with the comments as follows:

OWPC40774

Me and my brother have cycled to this area for martial arts training for around a year, allowing us to not need to go into the town centre of Worthing or Brighton to find training. Having the classes local to us means we do not need to drive or to spend money on travel. The club is very caring and supportive of each other and we help each other out as much as we can like helping travel to competitions or other sporting events. The club has been great for me and my brother with staying in shape and helps me with my mental health dramatically. The area it is in does not eat into the countryside like some other businesses do. I don't know what I would do without this club and with the area it is in it makes it very easy for families and friends to all enjoy a place local and safe to train and stay fit.
