OWPC40800

I fully support this project for various reasons. Predominantly the sports that are being practised in the area are really good for my mental health and community. It's got easy access from the a259 via car Or through public transport. It has ample and safe parking and it's nicely tucked away. It will complement the area through its new structure in comparison to the derelict structure that is there at the moment. Big yes from me
