Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/163/21/PL
Site Address: The Chalet Littlehampton Road Ferring BN12 6PG
Description of works: Development comprising of marine workshop & boatyard, martial arts gym (Class E) & storage container compound (Class B8) to replace former glasshouses. This site is a Departure from the Development Plan & is in CIL Zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 5th October 2021 which has been recorded as support with the comments as follows:

OWPC40916

The site is an ideal location for the proposed developments. The land is not able to be used for agriculture, and is already commercially developed. A workshop and boatyard would therefore not be incongruent with the surrounding area; at present there are disused glass houses the replacement of which would clearly be an improvement.

The access to the site is wide enough that any vehicles entering should not cause obstruction and the number of vehicles is unlikely to have any detrimental effect on traffic or cause queues.

The proposed martial arts gym would be a positive addition to the area and would have clear benefits to residents in terms of physical and mental health.

Your views as made above will be considered before the application is determined.
