Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/163/21/PL
Site Address: The Chalet Littlehampton Road Ferring BN12 6PG
Description of works: Development comprising of marine workshop & boatyard, martial arts gym (Class E) & storage container compound (Class B8) to replace former glasshouses. This site is a Departure from the Development Plan & is in CIL Zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 8th October 2021 which has been recorded as support with the comments as follows:

OWPC41075

I can not overstate what a great idea this is. A martial arts gym in this area would attract a wide array of people looking to be active after the pandemic and help to invigorate the local area. The benefits to physical health are obvious, but the benefits to mental health, especially emerging from the isolation of the pandemic is such a key factor.

The UK faces a mental health crisis, has done for years and only exacerbated by the pandemic. A martial arts dojo will do so much to help tackle this crisis.

The location couldn't be better, tucked away off of a great transport link with plenty of space for parking in an area that is already partially developed with green houses.

The boatyard as well as a gym is also a great opportunity for generating jobs and livelihoods.

Thanks
Jake

Your views as made above will be considered before the application is determined.
