OWPC41080

Me and my 9 year old daughter have been training with the club for nearly 5 years and have found it to be life changing. At a time when mental health issues are a massive part of society it is even more important to have a local place where people can come together and let off steam in a safe and friendly place. This is the perfect place as it is already to get to by bike, Car or walk. I feel it will be a massive improvement as there are derelict greenhouses there already and will not look out of place as there are already building all the way up the road. This will not be seen as it is fenced in and at the bottom of the Hill. At a time where jobs are needed in the area this is much needed.

Your views as made above will be considered before the application is determined.
