Thank you for your internet representation made on 13th October 2021 which has been recorded as an objection with the comments as follows:

I cannot see how this would be a good idea due to the high level of traffic on the A259 as is. Having gone to various business' on this industrial estate, it is clear that large heavy goods vehicles use this industrial estate on a daily basis. I have also witnessed a number of vehicles coming out of the property in question and it is clear to me that if a truck was to gain access to the industrial estate then it would clearly struggle to get a good enough swing let alone gain access passed any vehicles wishing to leave. There are effectively two driveways that need to gain access to the A259 which will ultimately cause issues with traffic in the future or even an accident. I strongly oppose to this planning application and would suggest they find more suitable premises within a larger area that can withstand the volume of traffic that this will create.
