Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/163/21/PL
Site Address: The Chalet Littlehampton Road Ferring BN12 6PG
Description of works: Development comprising of marine workshop & boatyard, martial arts gym (Class E) & storage container compound (Class B8) to replace former glasshouses. This site is a Departure from the Development Plan & is in CIL Zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 18th October 2021 which has been recorded as an objection with the comments as follows:

OWPC41290

As a Tenent at this location just up from the proposed development.
We objected to the application on the grounds that the drive way to this site is totally inadequate.
As a marine workshop Medium to large boats would be expected at the site a 20 foot trailer attached to a car suitable to pull it would be at least 40 Foot long and would not be able to turn in and get into the driveway in 1 go it would have to back out on to the dual carriageway
to make in in to the driveway which is not very wide stoping at the gate could mean a outboard engine sticking out on the main road
or their could be a boat on a lorry 50 to 60 foot longing total this will cause traffic to back up on the main road .
there have been 6 serious accidents since 2016 on this road
