Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/163/21/PL
Site Address: The Chalet Littlehampton Road Ferring BN12 6PG
Description of works: Development comprising of marine workshop & boatyard, martial arts gym (Class E) & storage container compound (Class B8) to replace former glasshouses. This site is a Departure from the Development Plan & is in CIL Zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 19th October 2021 which has been recorded as an objection with the comments as follows:

OWPC41321

1) This change of use would mean extending the area of the industrial/commercial estate. This should not be permitted, it's been promised in previous meetings by the planning officers that the industrial area would not be extended any further and that the view from Highdown hill will be safeguarded. This will be clearly visible from the top.

2) the access is not safe or suitable for commercial traffic, there is regular traffic going through the main gate not to mention pedestrians etc. There is a very strong likelihood large vehicles will have to brake quickly on the 40 MPH dual carriageway and also will have to reverse back to access this poorly designed entrance of which is not fit for such purpose.

Your views as made above will be considered before the application is determined.
