Dear Sir/Madam

PLANNING APPLICATION FG/164/18/T

We would like to STRONGLY object to the unnecessary damage wanting to be done to these two trees. The trees in the Poplars are vitally important because these are our only source of drainage which with the heavy rain we now get quickly becomes flooded. It will also be more habitats for wildlife to be lost. They have tree preservation orders on them and should be left alone.

Yours sincerely

[redacted]

Mr& Mrs Cattermole
