From Ferring Parish Council.

The Parish's Tree Warden - Cllr Wendy Ross - has reviewed the application and her observations are:

That the proposed surgery to trees on this site are acceptable with the exception of the 2 "Poplars". The trees in question are in fact 2 Firs and as the replacement of 2 eco friendly trees is not really specific I would suggest a separate application be made for the removal and replacement of the Firs, particularly as these are in a fairly prominent position at the front of the property.
